

## Case Study Help

### Search and Conquer

- Google News: keywords: security breach, digital security breach, social networking security, digital forensics, etc. (past hour, past week, archives...)
- Google Images – may take you to interesting case studies
  
- CNet: keywords - Security News - <http://news.cnet.com/security/>

### Some International Perspective, for example

- The Guardian: keywords - Social Networking Security News - [http://browse.guardian.co.uk/search?search=social+networking+security+News&search\\_target=%2Fsearch&fr=cb-guardian](http://browse.guardian.co.uk/search?search=social+networking+security+News&search_target=%2Fsearch&fr=cb-guardian)
  
- Sky News: keywords - “digital forensics” - <http://search.sky.com/sky?term=digital+forensics>
  
- World Newspapers in English: <http://www.world-newspapers.com/index.html>
