A screenshot of a web application's sign-in page. The page has a white background and a light gray border. At the top left, there are three colored dots (red, yellow, green). The main heading is "Sign In" in bold black text, with a link "Sign Up Free" in blue text to its right. Below the heading, there are two input fields: "Email" and "Password". The "Password" field has a "Forgot?" link to its right. Below the "Password" field is a checkbox labeled "Keep me signed in" which is checked, and a "Sign In" button. To the right of the "Email" and "Password" fields is a vertical line with the word "or" in the middle. To the right of this line are three buttons for SSO: "Sign In with SSO" (with a key icon), "Sign In with Google" (with the Google logo), and "Sign In with Facebook" (with the Facebook logo). At the bottom left, there is a "< Back" link.

7. Enter **Millersville** into the company domain
